Our Principal's Report

This past month we have seen how well Riverside Girls maintain balance in their lives. They combine excellent performance in the classroom with initiatives such as helping others in the community, showcasing musical and performance talents and taking leadership roles.

Congratulations to our three Gold Award recipients who have demonstrated this balance: Genevieve, Amber and Angela. A Gold Award is the supreme excellent school award for attitude, attendance and academic achievement.

Our year 9 enjoyed preparing to be peer support leaders for year 7 2013 (see page 5). Congratulations Welfare Team on organising such a meaningful training program.

Our guest speaker at the final assembly, from the Exodus Foundation complimented the girls for their support of their annual can drive. They said, “you make a living out of what you get – but you make a life out of what you give" and giving is something our students are good at! We have an astonishing number of cans to donate to this cause.

Thank you staff and students.

Everyday Ms Portmann in the front office checks our rolls and every week the Home School Liaison Officer, Ms Hatcher, monitors the attendance of students. It was great to see them hand out certificates recognising ‘Excellent Attendance’ at an awards morning tea for 23 year 11 students who had 99 or 100% attendance for their preliminary course.

As this is the last Currents for 2012 I would like to thank Mr Hunt, Ms Glansbeek and Ms Mazar for continually producing a quality publication.

Best wishes
Belinda Kelly

Our P & C Report

The previous P&C meeting held on 14 of November was the Annual General Meeting, where all office bearing positions were declared vacant for re-election. Congratulations on election of: Greg Tunnock (President), Berny Barber (Vice President) and Michael Warner (Vice President). There were no nominations for the Secretary and Treasurer positions, these remain unfilled. The P&C is actively seeking nominations to fill the important Secretary and Treasurer positions. The roles of these positions are outlined on NSW P&C Association website http://www.pandc.org.au/faq.seo we thank very much Karen Walker, Zoe Thompson and Sharon Weismantel, the outgoing Vice President, Secretary and Treasurer, for the positive contribution they have made to the Riverside community and the education of our daughters. The P&C Auxiliary positions of Fundraising Coordinator and Communications Officer were created at the 14 November meeting. The Fundraising Coordinator will assist the P&C to raise addition funding for special projects nominated by the school and agreed on by the P&C. The Communications Officer will work closely with the school to improve communications with the community. Nominations will be taken to fill these positions at the next P&C meeting. Anyone with the skills for any of the open P&C positions is encouraged to nominate at the next P&C meeting on the 13 February 2013. For further information please contact Greg Tunnock greg@tunnock.net. Filling one of these positions will be a very positive way to contribute to the Riverside community as a whole and your daughter’s education.

Kind regards,

Greg Tunnock
P&C President
Riverside P&C Committee
Featured Artist
Charlotte Snedden (from Yr 11)

After seeing ‘Phantom of the Opera’ Charlotte fell in love with musicals and has been fortunate to have had the opportunity to be involved in many different musical opportunities with a variety of organisations.

The theme of the Schools Spectacular 2012 was ‘Our Time’ and Charlotte reported this was special because it represented the opportunities and decisions that we as young adults can make, in making a difference to our world.

Also involved in the schools spectacular 2012 were our Senior Dance Group, Karen K. and members of the Millennium Marching Band - That's SPECTACULAR Girls!!

Shining Lights at Riverside

Students and staff from Riverside Girls High school have been recognised recently for their outstanding contributions in the areas of environmental education and teaching and learning.

Recent ceremonies at Taronga Zoo Theatre recognised the achievements of four inspirational teachers. The Regional Director’s Beginning Teacher Award was received by Ceara Kearney and Simon Miles while Environmental Sustainability Awards were presented to Allen James and Ginnese Johnston.

The staff and parents of students at Riverside congratulate these award recipients. The awards acknowledge the innovative and professional ways in which challenging learning activities are used to enhance the engagement and academic excellence at the school.

Aussies enjoy 13-medal Beijing swim haul

On 3 Nov 2012 Mr Slow reported.

At the FINA Short Course World Cup in Beijing Australian swimmers have picked up 13 medals including three gold! Laura C. added to Australia's medal haul with third in the women's 800m freestyle.

Laura had to miss 2 of her HSC exams to compete – so, she is coming back to school next year in 2013 to complete her HSC!

“See you again next year Laura!!”

Mathematics in Surveying

By Cassie S.

On Friday the 16 November 2012, Riverside’s Mr Pang and students Cassie S., Emily O’L., Rosy B., Hannah F., and Anne V. participated in UNSW’s Mathematics in Surveying Excursion.

The program held at Bicentennial Park, was aimed to motivate and challenge students through the practical applications of mathematics, and provide an insight into the surveying industry.

Activities throughout the day included mapping a garden, measuring the speed of sound, finding the radius of the earth, and measuring the gradient of a
stretch of land for naval transportation. Modern surveying equipment, miniCAD software and simple measuring tapes and compasses were used throughout the day to give us a practical understanding of the work of a surveyor.

The day was a wonderful opportunity for us as students to experience the real-world uses of mathematics outside the classroom.

Thank you Mr Saad.

Maths at Riverside
School Regional Cricket

Rachel Ewings, (Year 10) has been selected to represent the Northern Education Region at the Cricket Carnival at Coffs Harbour in February 2013!! All 10 school regions will send teams to the carnival and Rachel will “bow them all over”

Rachel plays for her school and also West Ryde Rovers Cricket Club as wicket keeper, but is also a fast bowler and excellent with the bat.

Rachel studies and enjoys PASS at school and is fully involved in the life of the school by being involved in choir and other extra-curricular groups.

Rachel is an outstanding all-rounder and an outstanding Riverside Girl.

Year 12 - 2012 “sign out”

Each year our Year 12 girls go through a processing of “signing out” which literally means visiting their teachers one last time and returning their textbooks, picking up their major works etc. and when everything is in order the teacher “signs the student out.”

Both students and teachers enjoy one final goodbye and wish of luck for the HSC results due mid-December.

In the photo below Emily and her physics teacher Mr Russell hold the “signing out” form.

“Good- bye Mr Russell” “Good luck Emily”

Champion of Champions in Penalty Shootout!!

Five Riverside girls were part of the Gladesville Ravens U18 team who recently won the Football NSW Champion of Champions for Under 18 Women, defeating Seaforth from the Manly Warringah Association. After an impressive season winning the Minor Premiership and Championship for Under 18s in the North West Sydney Women’s Association, as well as being finalists in the NSW State Cup, the girls were keen to add this prestigious title to their list of achievements for the season.

The game kicked off at midday with the temperature sitting just above 30 degrees. Our forwards Rosie B. and Jessica W. assisted by mid-fielder Claire F. made numerous assaults on the Seaforth Goal without success. Likewise, our Goal Keeper Deniz Y., assisted by Rachel S. in the backs turned back the Seaforth attacks time and time again.

After 90 gruelling minutes, the score was still nil all. Twenty minutes of ‘Golden Goal’ Extra time commenced. The Ravens scored with a header from a corner in the first period of extra time, but the scorer was deemed to be off-side. In the second period of extra time, Seaforth had a shot which looked certain to win the match for them. At full stretch, Deniz Y.
deflected the ball, then recovered and made a second effort to secure the ball. This remarkable effort raised the spirits of the Ravens, but not enough to score a goal, and so after an exhausting 110 minutes we headed to a penalty shootout.

Jessica W. followed by Rachel S. and a third Raven's player had success and the score was soon Ravens 3 to Seaforth 1. We were feeling a little more confident, and then our next two shooters missed. The scores were locked at 3 all. Our sixth shooter scored and the balance had again swung our way. The shot from the sixth Seaforth player went wide of the goal, and thankfully it was all over.

Skill, combined with determination and comradeship prevailed that day, giving the girls their most impressive victory to date as well as a memory that will linger for many soccer seasons to come!

Yr 11 Presentation Assembly

This Special assembly acknowledging the achievements of the high Achievers in Yr. 11 was conducted by their Year advisor Ms Yi with Ms Nikoletich. Year advisors award went to Katrina Phillip.

The hall was packed to capacity to listen to tremendous speeches and performances.

Pictured below is by the Yr 11 music 2 class.

Deidre, Holly, Theresa, Georgia, Isabella, Natasha, Charlotte and Elisa performed “Act ur Age” by Bluejuice.

Pictured below is by the Yr 11 music 1 class.

Madeleine, Kate, Emma, Emilia, Rebecca and Enoch who performed ‘I’m Not Okay’ by My Chemical Romance

Congratulations to Year 11 and all award winners.

Thank you to Ms Pat Lasbie for contributing this photo and exciting story!!

Teachers at work

Believe it or not this photo is not staged it’s just another day for science teacher Mr James!

Riverside Girls High School  NOVEMBER  2012  4
**Choir and String Trio Performance**  
**At Hunters Hill Council**

On Thursday 15 November our local council held a morning tea to recognise the contribution made by volunteers to our community.

The MC was the Council Mayor. The Federal Member Joe Hockey also attended and commented in his speech that; “after your love – the greatest gift you could give was your labour”

Riverside Girls High had volunteered to perform and pictured below is the choir who sang 3 featured items and the string trio that performed with them.

**Peer Support**

Ms Chamaoun reported that Year 9 students undertook the annual 2-day Peer Support leader training on Thursday and Friday last week.

Groups of students were led by teacher leaders through a formal program designed to develop leadership qualities such as empathy, listening skills and contributing to a sense of team.

A number of these girls will now volunteer to lead the Yr 7 2013 as they navigate the sometimes rocky shoals of the new high school environment.

As a focal point of the program each group had the challenge of creating a costume out of newspaper and masking tape (under a strict time limit!) prior to a lunch time parade in the quad.

(Pictured above is Ashleigh, one of the winners of the Peer Support Fashion Parade with one of her great teachers Ms Holly Burgmann).

Ms Chamaoun concluded “Needless to say, a wonderful (and productive) time was had by all.”
From the Maths Staff

2012 Dance Wrap Up

2012 has been a great year for extra-curricular dance and dance elective. Dance at Riverside has exploded and we now have a Senior and Junior Dance Company operating outside of school hours and year 9 & 10 dance elective.

We have had great experiences auditioning, performing and participating in a variety of dance classes in all different styles throughout 2012. We have successfully performed in:
- Sydney North Dance Festival
- Ryde School Spectacular
- School Spectacular
- Formal School Assemblies
- Open Day Activities

The girls had wonderful experiences learning all styles of dance this year, including Theatre Jazz, Videography, The Charleston, Can Can and Classical Ballet. A big thanks to all our amazing outside instructors including Tamara Mitchell, Rebecca Pagano, Illona Hewson, Rebecca Llewelyn and Rowena Vilar. Dance also had a few excursions to see “Onegin” at the Opera House and also to view the recent “School Spectacular”. Both fantastic and new experiences.

A BIG thanks to all the parents for their support as we could not have done all of this without you!
I am looking forward to all the 2013 experiences with the dance girls at Riverside.

Watch out for the flyers for auditions to gain entry into the junior and senior dance company early term 1, 2013!!!

Ms Gordon

Netball 15 Years and Under (in 2013) Team Triumph!

During Term 4 our 15 Years Netball Knockout team have successfully made their way to round 4 of competition.
Team members are: Georgia K. (Capt.); Kate M., Sophie M., Ebony B., Erika D., Sophie K., Jadine Z., Hope R. and Ximena G.

Their successes have been against Carlingford HS (33 – 8), Killara HS (27 -9) and Barrenjoey HS (44 – 12).
Good luck to the team for the next few weeks when they play their final round for year. If successful in their next game they will continue into Round 5 in the new school year. Strong combinations on court, good fitness levels and the versatility of players have ensured the team convincing wins this term.

We must thank parents Mrs Judy Kenny and Mrs Josephine Zajic for assisting to transport the players to all our games.

Anne Iverach (Team Organiser)
**Mindfulness at Riverside**

Riverside was the first school in Australia to have the privilege of attending a six session youth Mindfulness Program created by US Psychologist Patricia Broderick PhD, and led by a qualified instructor (Danielle Thomas.) During the program, “Learning to Breathe,” we were taught techniques to help reduce and deal with stress. The course was designed to be helpful in dealing with youth related pressures and problems - like school and social issues. Relaxation by meditation was one such technique that was taught for us to keep in mind to combat negative thinking. Over the course we developed a better sense of our emotions and learnt how to reduce negative thinking.

The course concluded with each participant producing a decorated tile that was constructed into a mindfulness quilt. This quilt hangs in the corner of the school library and consists of tips for stress reduction learnt by the students.

We as a class found the course helpful and inspiring and hope that this opportunity will be available to future years.

(www.learning2breathe.org)

Rosa J. and Mikaela P. Year 10

---

**Donate to the Exodus Can Drive**

It’s that time of the year again! Yes, the Exodus Can Drive is back at Riverside and we need you to raid the pantry for this cause that gives people who are less fortunate then us a happier Christmas. So please encourage your children to bring in either cans or non-perishable items (including toiletries) to the common room at recess one on any day of the week to make a difference.

**Showcase of Club 6 Max Potential**

During 2012, Priya Pagaddinnimath and Amber Pye along with a number of other students from school in the local area participated in the 2012 Club 6 Max Potential program. This leadership program allowed each student to work with their personal leadership coach on a community project showcased at the end of the year.

This year the program has
1. Created very positive relationships with schools, students, teachers and parents;
2. Provided a framework within which Council and Club staff could engage with young people in the area;
3. Strengthened good working relationships between the clubs and other sections of the community, such as Council and community centres;
4. Allowed the Council and the Club 6 group of clubs to provide positive leadership to other local organisations in terms of community engagement and sound corporate citizenship.

Priya’s showcase on the 40 hour famine

Testimonial:
Thank you so much for the opportunity to be part of Max Potential. It has really helped me develop into a young adult which I thought would take ages, Thank you for introducing me to such fantastic people. Please continue to run this program.

Kind Regards,
Priya, Riverside.

Ambers showcase on her Christmas Drive

Testimonial:
Thank you so much for giving us young adults the opportunity to reach our full potential in regards to all aspects relating to leadership. Without your support, we would not be where we are today: more confident, organised and ready to tackle on and tackle obstacles in the future! Please continue sponsoring this cause as it is such a worthwhile experience!

Kind regards,
Amber, Riverside.
RIVERSIDE GIRLS HIGH CAREERS NEWS NOVEMBER – DECEMBER 2013

Careers Advisory Service: Thursday 20 to Mon 24 December, 9am to 5pm The Careers Advisory Service is an annual initiative which gives students and their families' up to date information about the range of career and study options available following the release of the High School Certificate results. The two services offered by the website are a phone-in service and an email service, as well as a vast range of online resources covering options for school leavers.

http://www.cas.det.nsw.edu.au/

 Universities: Macquarie University Future Students Facebook Page The Future Students team at Macquarie University have a Facebook Page for any questions that students may have about Macquarie University. Students can post a question on the page at any time and get an answer back quickly. The page also has information about upcoming events and photos from behind the scenes at Macquarie University.
https://www.facebook.com/macquariefuturestudents

Early Entry/Alternate Access: UTS Engineering HSC Bonus Scheme Questionnaire Questionnaire closes midnight Sunday 2 December Students wanting to study Engineering at UTS should complete this questionnaire offered by the University of Technology Sydney. If their ATAR falls short of the course cut-off subsequent to bonus points being added, their ranking can be adjusted based on their answers to the online questionnaire. The questionnaire will be evaluated based on their motivation, interest in engineering and affinity for the engineering discipline. Students who believe they will receive a sufficient ATAR to guarantee entry to the course are still advised by UTS to complete the questionnaire.
http://forms.uts.edu.au/index.cfm?FormId=203

For more information or to book a place in a course visit the AFTRS website:

Global Poverty Ambassador Applications Open
First round applications close Friday 23 November. The Global Poverty Project is looking for people to become Global Poverty Ambassadors. Ambassadors will work to raise awareness about extreme poverty, organise their communities to action, and build local support for business and political action to tackle global poverty. For more information contact enquiries@globalpovertyproject.com or call (03) 6543194
http://globalpovertyproject.com/pages/ambassador

UTS Video Journalism Summer School
Monday 21 January to Friday 1 Feb, 9:30am to 4:30pm. Cost: $2,700 (full fee), $1,700 (Concession), and $1,400 (UTS Students). This summer school is aimed at mature students who are comfortable working around adults and want to learn more about how to conduct video journalism. At the school the students will learn to do interviews, write voice-overs, shoot visual sequences and edit with Final Cut Pro. Students will produce 2 – 3 video stories within different genres as part of the program. Students are expected to have a basic understanding of journalism and a keen interest for the field. UTS also has a range of other short courses which would be suitable for mature students with a passion for journalism who are comfortable working with adults or more information contact acij@uts.edu.au or (02) 9514 2488.

Charlie Sheard Painting Masterclass
Saturday 12, 9 and Sun 20 January Art Gallery of New South Wales Studio and Gallery, The Domain, Sydney
This masterclass with painter Charlie Sheard comprises of a session at the gallery viewing the Francis Bacon Exhibition currently at the Art Gallery of New South Wales. Following that, there will be a two day weekend workshop where participants will develop their own painting over two days by exploring the methods of Francis Bacon. This program is suitable for arts working at different levels and with variable styles, but prior experience with painting is preferred. Participants will be required to provide their own materials, but are asked to not purchase in advance of
NSW Government Kids’ Summer Camps
The NSW Government is holding a range of kids’ camps in December and January for kids aged from 7 to 16. The camps provide activities, accommodation, 24-hour supervision, meals and transport. For more information call 13 13 02.

Volunteering:

Australian Volunteers International Volunteer Stories Night
Tuesday 20 November, 6pm to 7pm Fort Scratchley Multipurpose Centre, Nobbys Road, Newcastle. Local community members who have volunteered overseas will talk about the cultures, global friendships and life experiences they have gained from their overseas placements. Australian Volunteers International will also present what it’s like to live and work overseas, and how people can get involved in becoming an international volunteer. RSVPs are required and can be done online.

Linkz Long Term Remote Volunteering Program
Links and the Central Australian Youth Link Up Service are looking for people to volunteer in remote aboriginal communities. Volunteers would assist in the running of a local computer and internet room in the community, as well as provide support to the Youth Program. Volunteers will be expected to work ‘full time’ and work with the Youth Program outside of school hours and during events. All costs for volunteers will be covered, including flights, transport and accommodation, as well as a $200/week stipend to cover the cost of food. Volunteers would ideally be able to start in December 2012, but dates are flexible. It is hoped that volunteers will stay between 2 to 6 months. For more information contact Ashton@linkz.net.au
http://linkz.net.au/?page_id=126

Competitions:

AIDS Conference Design Logo Competition
Melbourne will host the 20th International AIDS Conference in July 2014. In order to determine the conference logo a competition is being held for individuals between the ages of 10 – 30 to design the logo. The prize for the designer of the chosen logo will include a formal presentation to recognise the winner and paid flights and accommodation to attend the conference. Competition closes 14 December 2012.

GLBT Safe Place Logo Competition
Entries close Friday 7 December. ACON is holding a competition which invites people to design an emblem which can be displayed on a shop, business, service or institution to display that it is a Safe Place for the GLBT community. The successful designer will have the opportunity to work further with ACON on finalising the design and will also receive a $150 voucher. For more information contact ACON’s Anti-Violence Project on 1800 063 060 or email avp@acon.org.au
http://www.acon.org.au/anti-violence/Safe-Place-Program#competition

Miscellaneous:

UNSW College of Fine Arts Annual Exhibition
Friday 23 to Wednesday 28 November, 10am to 4pm Roundhouse, UNSW, Kensington Campus. The COFA ANNUAL 2012 exhibition features works of animation, graphics, jewellery, painting, photography and more by over 300 graduating students from the College of Fine Arts (COFA).
http://www.cofa.unsw.edu.au/events/cofa-annual/

Shorts On Demand
Shorts on Demand is an online short film broadcasting platform and is searching for Australian short films for distribution through their website. Submissions are currently open and there is no cost to submit a short film.
http://www.shortsondemand.tv/

INFORMATION FOR THIS NEWSLETTER IS TAKEN FROM THE MHS CAREERS NEWS. RGHS IS A SUBSCRIBER TO THIS WEBSITE. PARENTS & STUDENTS ARE WELCOME TO USE THE WEBSITE.

Thank you Mr Blundell for this careers news.
This is the last edition of The Riverside Currents for 2012.

On behalf of all the students and teachers we would like to wish our readers a happy and safe holiday. See you in 2013!
