Judy King advised that the missing drain grids on Victoria Road were the responsibility of Transgrid and not Hunters Hill Council.

Rick Lovegrove advised that only 6,000 litres of water was collected in the last week and this possibly could be due to leaves in the drains. Judy said that the only way we could find out is to get a cherry picker. Judy said she would ask the DET rep when he comes about the roof leaks.

Cheryl Osborne asked the Secretary, Brad Powe to send out an email to the parents regarding the working bee.
