The formal P&C meeting was opened at 8.30 pm by the President, Cheryl Osborne.

**Attendees**
As per the circulated Attendance Book.

**Apologies**
Gabriele Grave, Sharon Weismantel

**Special Presentation**
This meeting commenced with a presentation by local identity Jimmy Shaw, regarding his proposal for the establishment of a School greenhouse; and a round-table discussion of public transport issues with a view to encourage submissions to the *Sydney Morning Herald*-sponsored Independent Public Inquiry into a Long Term Public Transport Plan for Sydney (http://www.transportpublicinquiry.com.au).

**Minutes of Previous Meeting**
The Minutes of the last General Meeting, held on 12/08/2009, were circulated.

**Motion:** To accept the Minutes as read.

*Moved: Cheryl Osborne  Seconded: Rafael Chemke  CARRIED*

**Business Arising**
- The purchase of additional Furphy brand seating (using money from the Grounds Fund) to match the existing seats in the Office forecourt was approved. Following queries at the September meeting, it was determined that the best value was obtained by having the seats delivered from Victoria rather than seeking equivalent items locally.
- Mass Meeting re School League Tables; a mass mail-out to all parents, outlining the issues (produced by the Education Alliance of public and private schools and teachers) raised at the rally, was proposed.

**Motion:** That the P&C contribute $200.00 towards the postage for the mail-out of anti-League Table information

*Moved: Cheryl Osborne  Seconded: Sabina Fielding-Smith  CARRIED  (NB: 6 votes for, 1 abstention)*

Principal’s Report

Judy King’s report included –

1. Potential Year 7 numbers for 2010 are down to 198, leading to a probable total enrolment 1010 – but 1040 pupils are needed to maintain current staff levels. It is still hoped to pick up more enrolments by the start of 2010, but timetabling has become quite difficult.

2. There will be no Year 11 classes run in Information Processing & Technology (IPT), French, Spanish or Earth/Environmental Science.

3. The Year 12 Graduation ceremony will take place on Thursday 1 October.

4. The delivery date for Year 9’s notebook PCs has changed three times, but will hopefully occur before the end of September. There will be a parent information evening regarding their use and responsibilities in early Term 4.

5. Rick Lovegrove will be Head Teacher Science at Mosman High from the start of Term 4, so a new staff coordinator will have to be needed to run the water use monitoring program and School working bees.

6. On her departure, Artist-in-Residence Amanda Penrose-Hart presented the School with a painting valued at $800; the P&C was thanked for our support of this program.

7. Blue Day (an anti-depression initiative organised by the SRC) went well. Senior teachers will be discussing expansion of the concept with the Regional Director soon.

Treasurer’s Report

In the absence of the Treasurer, the bank statement for the P&C’s account was tabled as a Report: an unchanged balance of $19490.89 as of 31/08/09 was noted.
