**Grounds Report**

Cheryl Osborne will finalise arrangements for tree pruning and mulching over the spring holidays, after liaising with Craig Teece and the School’s General Assistant.

**General Business**

- It was noted that the parking conditions for the bus zone immediately downhill from the school entrance had FINALLY been changed (ie the afternoon only bus stop is no longer simultaneously a ‘No Stopping’ zone). Parents are encouraged to use this as a drop-off zone in the mornings, rather than the bus zone uphill from the driveway.
- Following the success of and interest shown the in School’s performance of Midsummer Night Dream, it was noted that there was student interest in having more drama/musical productions.
- The tender to run the School’s Canteen is about to be advertised in *The Northern District Times*. The selection committee will include staff and student representatives, with parents to be recruited via Craig Teece.

The meeting closed at 9.25pm.

The next meeting will be held on the third Wednesday, since the first two are both in the Spring holidays.

**The next general meeting will be on Wednesday 15th October.**
